

## Indoor Plants – Enhance Your Home with Green Elegance

Indoor plants not only improve air quality but also add a refreshing aesthetic to your living or workspace. Whether you're looking for vibrant foliage, flowering plants, or unique textures, our carefully curated indoor plant collection is easy to maintain and perfect for homes, offices, and indoor gardens.

### 1. Crotons

- **Description:** Crotons are vibrant indoor plants known for their striking multicolored leaves that range from yellow, red, orange, and green. These tropical plants bring an exotic feel to any indoor space.
- **How to Grow:** Prefers bright, indirect sunlight with occasional watering. Avoid overwatering as it can lead to root rot.
- **Color:** Multicolored (Yellow, Red, Orange, Green)
- **Average Height:** 1-3 feet
- **Price:** ₹18.876

### 2. Roheo Variegated

- **Description:** Roheo Variegated is a low-maintenance plant with striking purple and green foliage, making it a great addition to tabletops and corners.
- **How to Grow:** Thrives in bright, indirect light and requires minimal watering. Ensure well-drained soil for healthy growth.
- **Color:** Green and Purple
- **Average Height:** 1-2 feet
- **Price:** ₹18.876

### 3. Ficus Panda

- **Description:** A highly sought-after ornamental plant with glossy, dark green foliage. The Ficus Panda adds a sophisticated look to any indoor setting.

- **How to Grow:** Prefers bright, indirect sunlight and regular watering. Prune occasionally to maintain its shape.
- **Color:** Green
- **Average Height:** 3-5 feet
- **Price:** ₹707.85

#### 4. Ficus Starlight

- **Description:** A beautiful variegated variety of Ficus, featuring green and white leaves that brighten up any indoor space. It is easy to maintain and great for purifying air.
- **How to Grow:** Requires indirect sunlight and watering when the soil is dry. Keep away from direct harsh sunlight.
- **Color:** Green and White
- **Average Height:** 3-5 feet
- **Price:** ₹865.15

#### 5. Adenium (White & Pink)

- **Description:** Also known as the Desert Rose, Adenium is a stunning flowering plant with thick stems and delicate, trumpet-shaped flowers in shades of white and pink.
- **How to Grow:** Needs bright light, minimal watering, and well-draining soil. Ideal for sunny indoor spots.
- **Color:** White & Pink Flowers
- **Average Height:** 1-3 feet
- **Price:** ₹86.515

#### 6. Murraya Mini

- **Description:** A compact, bushy plant with glossy green leaves and fragrant white flowers. It is perfect for small indoor gardens and tabletops.
- **How to Grow:** Requires moderate sunlight and regular watering. Well-draining soil ensures healthy growth.
- **Color:** Green with White Flowers

- **Average Height:** 2-4 feet
- **Price:** ₹62.92

## 7. Jacobina (Red)

- **Description:** Jacobina is an attractive indoor plant with lush green foliage and bright red flowers, adding a pop of color to any space.
- **How to Grow:** Thrives in partial shade with regular watering. Requires humidity to flourish.
- **Color:** Red Flowers
- **Average Height:** 2-4 feet
- **Price:** ₹31.46

## 8. Terminalia Arjuna

- **Description:** A medicinal indoor plant known for its air-purifying properties. It has lush green leaves and is widely used in Ayurveda for its health benefits.
- **How to Grow:** Prefers moderate sunlight and regular watering. Best suited for indoor corners or balconies.
- **Color:** Green
- **Average Height:** 2-5 feet
- **Price:** ₹86.515

## 9. Euphorbia Pink (Big)
